DOPPIO ACRILICO

STYLE& SURFACE

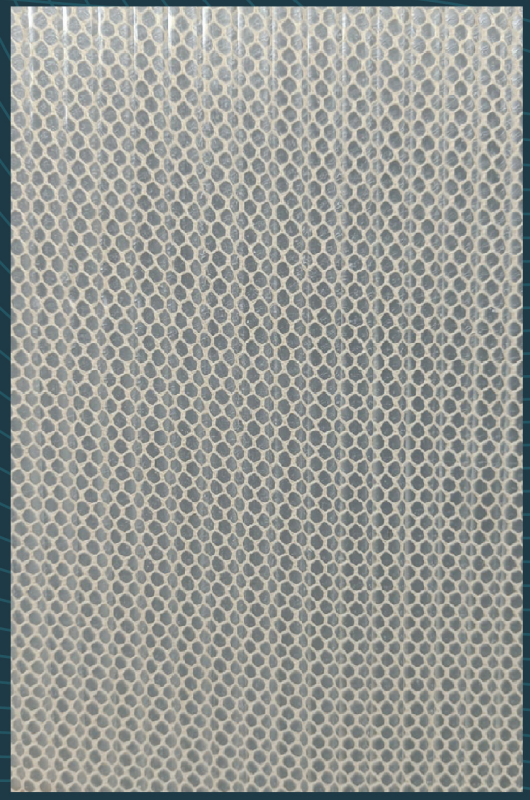

ABOUT OUR PRODUCT

Doppio Acrilico Panels often referred to as doppio panels, are designed with features that include water resistance, light transmission, and reflection. "Doppio" means double in Italian, indicating the double-sided nature of the panels.This provides a symmetrical appearance and can be used in partitions or as decorative elements where both sides are visible.Applications for double-sided Doppio panels include architectural features, interior partitions, decorative panels, and functional elements in various settings. They offer a combination of durability, aesthetic appeal, and practicality.This is introducing our newest collection of timeless innovation. Doppio panels is to beautify your indoor places. Available in multiple designs same texture on both sides.
