DECORATIVE LAMINATES

HAPPY COLOURS VOL 2

Supplied by Om Sales Corporation — wholesale supplier, Hyderabad & Secunderabad

Om Sales Corporation is a wholesale supplier of interior-design materials in Hyderabad, established in 2015. We supply interior designers, architects, contractors, modular manufacturers and homeowners across Hyderabad and Secunderabad with premium interior surfaces and panels at genuine trade rates. Our catalogue spans 30+ categories: Corian-type acrylic solid surfaces, translucent Alabaster, mosaic and cork tiles, charcoal and decorative panels, acrylic and PVC laminates, PVC and MDF boards, WPC/PVC doors, plywood, blockboard and veneers. Specialty lines like translucent Alabaster and fluted acrylic panels are rare to source locally. One trusted source for your entire material list. Samples on request. WhatsApp +91 98666 07766.

ELEGANT GLOSSY

Happy Colours

SOOTHING MATT

crystal | MAT7+

meet Cosmic Decor®

We at COSMIC DECOR strongly believe in Customer Satisfaction through Innovative products, Quality and Timely Delivery. Our approach significantly resembles a perfect blend of simplicity with creativity to make your lifestyle beautiful.

Our exceptional offering allows you to experience the luxury. This collection of 100% virgin acrylic laminate is the epitome of beauty and flamboyance.

With High Gloss FInish and 6H Anti Scratch layer, the collection delivers on functionality and aesthetics. Matte Acrylic Laminate engineered with 9H Anti Scratch laminate is something you should embrace for the long life of your furniture. Acrylic laminates are available in a wide variety of colors to ensure they can complement almost any decor. On top of that, these marvelous surfaces are manufactured as per international quality standards, which ensure it lasts for a long time without any of its features diminishing.

Bring in this gracious collection of matte acrylic laminates with excellent anti- scratch feature to give your space a wonderful gift of care and wisdom.

Matt Series
Scratch Proof **(9H Anti Scratch)**
Excellent Colour Consistency

Cosmic Decor®

crystal

6H ANTI SCRATCH

MATZ+

100% acrylic 9H ANTI SCRATCH

HANDLING

1. Open the Acrylic sheet roll immediately. Do not pressurize while opening it.
2. Spray cleaners lightly on the surface.
3. Wipe the surface clean with cloth in light circular motion.
4. Inspect the material before taking delivery and prior to installation

INSTALLATION

1. Cutting & Machining: Use standard wood working tools and equipment for cutting, routing and drilling. Sharpen your tools before using to remove any burns and feather corner edges.
2. Base Material: Standard quality material like plywood, high density particle or fiber board. The surface of the material must be smooth and free from high moisture content / grease / wax / dust / chips / any foreign particles. Do not paste the sheets on the printed / branding area of the plywood
3. Adhesives: Avoid synthetic rubber or heat-activated adhesives. We recommend “CHIPKU” (premium glue from COSMIC DÉCOR, mainly used for Acrylic and PVC laminates)
4. Observe bonding process carefully and apply sufficient pressure
5. MATZ+ Matte Acrylic Laminates comes with a high-quality protective film that is to be removed only after completion of installation work.
6. After the removal of protection film, there might be solvent on the surface from the adhesive coating of the protection film. It may attract dust because of an electrostatic charge. During this time, the acrylic laminate surface also cures out under the influence of normal air humidity. Under normal circumstances, the 'Curing' process will take approximately 72 hours for the surface to be totally cured. In order to speed up the process, we recommend cleaning of the surface with COLIN Glass Cleaner and Soft Micro Fiber cloth.

CLEANING & MAINTENANCE

- Avoid cleaning agent containing acids / alkalis / abrasives / alcohol-based / solvent-based / petrol-based / pinewood-based / oil-based cleaners
- Use soft and clean cloth (preferably micro fiber)
- Avoid exposure to direct sunlight, it can gravely affect laminate's appearance
- Avoid hot cookware or utensils putting directly on the Acrylic laminate

LIMITED WARRANTY

Products are tested to be reasonably free from manufacturing defects. When used and installed properly, it will comply with the applicable manufacturing specifications within realistic deviations.

Warranty in on way covers defects and non-compliance from or otherwise attributable any other cause, including without limitation the following

- Improper Handling
- Improper Installation
- Improper or unintended usage
- Lack of improper maintenance
- Exposure to high temperatures
- Unauthorized alteration to the products
- Outdoor applications
- Colour variations in product from different batches are possible, plan your orders accordingly
- Actual colour of the Acrylic sheet may differ from the pictures shown in brochure
- There will be no guarantee or exchange under any circumstances
