ALABASTER & TRANSLUCENT

ALABASTER & ONYX PANELS

Supplied by Om Sales Corporation — wholesale supplier of Alabaster & Onyx Panels

Om Sales Corporation is a wholesale supplier of interior-design materials in Hyderabad, established in 2015. We supply interior designers, architects, contractors, modular manufacturers and homeowners across Hyderabad and Secunderabad with premium interior surfaces and panels at genuine trade rates. Our catalogue spans 30+ categories: Corian-type acrylic solid surfaces, translucent Alabaster, mosaic and cork tiles, charcoal and decorative panels, acrylic and PVC laminates, PVC and MDF boards, WPC/PVC doors, plywood, blockboard and veneers. Specialty lines like translucent Alabaster and fluted acrylic panels are rare to source locally. One trusted source for your entire material list.

Samples on request. WhatsApp +91 98666 07766.

Mann Infra Trading

We offer simple, innovative and elegant wall-paneling products that Awe the Onlookers!

Simply speaking, we offer products that we use in our own homes and offices. When it comes to the polystyrene charcoal panels, mosaic highlighters, translucent onyx panels and solid-surface sheets to adorn the interiors of domestic and commercial spaces, we are second to none. With three years of experience under our belt, we are relied on for the finest possible quality at the best prices.

Ever since the inception of Ganesh Plywood in 1990, we have opened our doors to residential and commercial clients. The Gala family has been bringing building materials to the Indian market at affordable prices. With over 25 years of experience in a field of constant innovation, we find it challenging to keep up with limited floor-space. Mann Infra Trading, our newest venture carries our values of simplicity, innovation and elegance. We have become synonymous with excellence in the plywood industry and cater to all the needs.

Quality is the foremost priority for us and our customers know that. Taking into consideration the ever-increasing demands of our customers, we have been subsequently adding more new products to our inventory.

We understand that trendy look interiors are much in vogue, but not all can afford the luxury. This is the reason why we are committed to provide you style within a budget. We offer services for installation and inspect your premises to know your requirement. Our experienced creative team of material specialists and designers offer specialized service and work with our clients for their requirements and come up with the innovative ways of offering them a style that falls in their budget. They meticulously work to deliver solutions and complement our vast range of products.

Designing your interiors in a way that they look extraordinarily beautiful is what we are committed towards. We ensure ultimate satisfaction to our clients and this is the reason we have thousands of satisfied and recurring clients that strongly recommend our services. We tie in quality products and quality service with our creative consultants, and treat every project like living and breathing art.

We understand your needs! In our core, we believe in choices for everyone!

ACRYLIC RESIN PANEL - ALABASTER / ARTIFICIAL ONYX

Nothing Decorates Interiors Better Than Low-cost Acrylic Resin Panel

FABULOUS LOOKING, NON-TOXIC, LIGHTWEIGHT AND LOW COST, ACRYLIC RESIN PANEL ARE A PERFECT SOLUTION FOR INTERIOR DESIGNING.

Commonly known as man-made translucent stone panel or faux alabaster, Acrylic Resin Panel is a new and trendy composite material that has become a style statement of late. Whether you own an office or want to give a super stylish look to your house, these high-grade decorative panels would be the perfect solution. Acrylic Resin Panels are largely used in the international architectural decoration industry and several other commercial spaces to get an awe-inspiring interior.

Made up of one-fourth of the natural onyx-stone weight, these panels are an ideal alternative to natural stone material because they are light in weight and look much better. Apparently, these decorative panels are growing in popularity.

What Are The Acrylic Resin Panels Made Up of?

These translucent panels are composed of the premium quality Resin and Aluminium powder that is used to beautify its colors and overall appearance. Raw material that is being used for manufacturing alabaster is High Quality Resin. LED lights are also used which give a further boost to the appearance of these panels.

Applications

The decorative acrylic resin panels can be used for the following purposes

- Ceilings
- Translucent walls
- For lighting
- For the interior designs of hotel and other commercial space reception.
- Counter tops
- Outdoor and indoor columns
- Signage
- Bar tables

Advantages of Acrylic Resin Panels That make it Preferred Choice

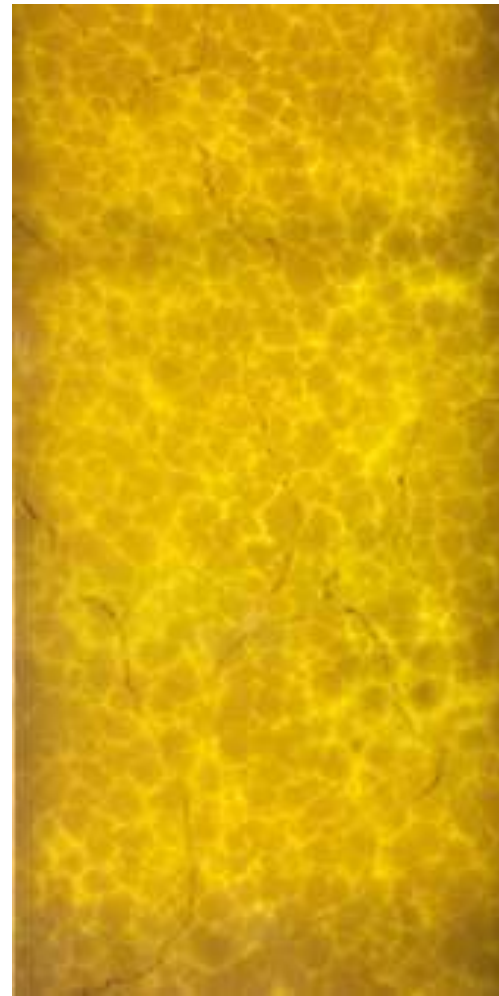

- Light in weight as compared to natural stone.
- Resistant to corrosion.
- Highly durable
- Can be installed easily.
- Natural Onyx gives it an elegant look
- Seamless joints.
- Low cost

Decorating interior spaces may be a difficult task for you; we are always ready to give you the best ideas in the budget that suits you. Look no further, when it comes to make your offices and homes
